I hereby agree to use the observing field, buildings and facilities at my own risk, and hold the owners and their respective agents, assigns, employees, and contractors, harmless from any loss of damage resulting from, or connected with, any injury that I sustain as a result of any defect, latent or apparent, in the design or condition of the equipment, and facilities, and/or the condition of the observing field, buildings and facilities.

(3) any injury or loss caused by use of equipment, owned by the owners or the observer or other CAV members. **Assumption of Risk**

I, (print name)....., recognize that use of the observing field with electricity in damp or wet conditions can be a dangerous pursuit for the unwary and should not be undertaken without a full appreciation of the risks involved. I agree that any equipment or vehicle I bring onto the observing field will be in a safe condition. I also appreciate that moving around the necessarily unlit observing field presents an equal danger of accidents.

I acknowledge that I have thoroughly read this waiver and release, and fully understand that it is a release of liability and assumption of risk. By signing this document I am waiving any right I or my heirs, successors or assigns might have to bring legal action, or assert a claim against the owners or their family.
